Description

This Kashmirian wool is luxurious and ethical, since no animal is mistreated to produce it. Thanks to the wonderful herringbone pattern and the fantastic colors typical of Bettina's products, this scarf is a unique accessory, hand-dyed in Ischia. With water and dye, the fabric is dyed and laid out to air dry and to be then dyed up to seven or eight times. The result is a work of art that you can wear. The result is a work of art that you can wear.With this item you will recive a hand-crafted bag with the brand's logo and a leaflet that talks about the work and philosophy of Bettina Buttgen.
